latex examination gloves

Assurity Latex Gloves can be purchased by the box or carton. There are ten boxes in a carton and 100 gloves in a box. So per carton, that's a total of 1000 gloves at a much lesser price.

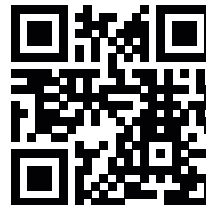

Assurity latex examination gloves offer healthcare professionals improved biological barrier protection. Powder free, the gloves are made from natural rubber latex. The robust middleweight glove offers consistent sensitivity and tensile strength. Assurity latex examination gloves provide long-lasting comfort, durability and decreased hand fatigue and improved dexterity and sensitivity. They conform and are tested to the highest international standards. Assurity Latex Examination Gloves are available in five different sizes with individually colour coded dispenser boxes.
