nitrile examination gloves

glove conforms to

- EN455 parts 1,2,3 & 4
- ASTM D6319 & ASTM D6978
- ISO9001:2015
- ISO13485:2016

blue

Assurity Nitrile Gloves can be purchased by the box or carton. There are ten boxes in a carton and 200 gloves in a box. So per carton, that's a total of 2000 gloves at a much lesser price.

bx200

Assurity nitrile examination gloves offer improved biological barrier protection while mimicking the slim fit and comfort of a latex glove. Powder free, the gloves are made from 100% Nitrile (Non Latex). The lightest of our middleweight glove offers consistent sensitivity and tensile strength and its Chemotherapy and Fentanyl rating makes this a popular choice in healthcare facilities. Assurity nitrile examination gloves provide long-lasting comfort, durability and decreased hand fatigue. Assurity gloves conform and are tested to the highest international standards.

- premium quality
- 3.2mil powder free nitrile
- latex free
- textured finger tips
- ambidextrous
- non sterile singe use
- beaded cuff
- chemotherapy drugs tested
- AQL 1.5
